

Dear Parents & Dancers,

Another great academic year completed with some fantastic work created and performed by our talented dancers. Thanks to everyone that has shown their support towards our activities over the past year.

We now look forward to a fresh start in September. Please see below for dates, times and fee amounts.

During the autumn term we will be working towards our annual youth dance production, **The Lost Girls**, based on the classic story of Peter Pan. Therefore, we have extended all company sessions to a **12 week term** (instead of a usual 10 week term) to maximize our rehearsal time. This additional time will also enable us to provide a high quality and exceptional performance for everyone involved.

All dance fees are to be received by **Saturday 22nd September**.

We now accept payments via online banking; please see below for more information.

Have a great summer!

Sam & Ricia

Costumes

This year's production is set to be a fantastic show and as always we want to provide our dancers (and audiences) with high quality and colorful costumes.

Costume fee = £15.00 per dancer

If a dancer is involved in more than one dance this amount covers them for all costumes. A majority of dancers will be involved in more than one dance due to the nature of this year's production. Costumes will be worn for a matinee and evening showing. Dancers will receive their costumes on Sunday 1st December to be worn during the technical rehearsals. Dancers will then keep all costumes and return to Cascade at the end of the show on Saturday 7th December.

£5 deposit refunded once costume has been returned to Cascade Dance

Total amount of £10 is received by Cascade towards the purchase of show costumes. These costumes are then reserved by Cascade Dance for future performances. We have applied a deposit rule this year, as so many of our costumes go missing during show time.

Chaperones

As always we require lots of assistance during show time and we ask all parents, friends and family to lend a hand. We would love to see some new faces this year, helping us out with costumes, makeup, hair and backstage duties. We are offering a free ticket for all helpful parents who assist on the day. (Matinee or evening show). Contact Ricia to book your place! 😊
